We are often thrown statements that can be difficult to respond to. Take it in turns in pairs to practice responses to these statements. What does/ doesn't work? Feedback anything you thought worked especially well.

When you lot get involved you make everything worse.

You're just checking up on me because you don't trust me.

So you're saying I'm an awful parent?

So you're calling me a liar?

I can't talk to you because I'll be in trouble.

I don't know why you're talking to me about it. The people at number 8 are far worse, you should be going round there!

You've not even met him and you're already judging him! He's changed!

Just do your job teaching my kid/ doing their health assessment and stop hassling me.

Do you even have kids?

Where were you when I needed you as a kid?

I told the last one everything and then they left. What's the point? Are you even going to stick around?
