

the **dialogue...**

A review

John Woodhouse & Brian Smith

What was your favourite **bitesize** session so far...?

In small groups for 5 minutes,
then pull together and add a list to the chat in the main room

The **news & research** are really valuable

Please rate in the poll – **1 strongly disagree** to **5 strongly agree**

I really value the time to meet others in the breakout rooms

Please rate in the poll – **1 strongly disagree** to **5 strongly agree**

The Inspection Top Tips are really useful

Please rate in the poll – **1 strongly disagree** to **5 strongly agree**
Then explain how you use them in the chat

What do you think of the format? What could we improve?

In small groups for 5 minutes,
then pull together and add a list to the chat in the main room

What else should we cover?

Who should we invite?

In small groups for 5 minutes,
then pull together and add a list to the chat in the main room

Small group session

What are the things going on for you at present?

Here's an opportunity to really explore the issues affecting you and your setting. 15 mins

Pick **one or two** issues to feed back to the main group.
